Subject: Start of lunch deliveries confirmed

Dear Sanne, your bakery is connected to our lunch round. Your online order page went live on Thursday 22 October; our trial week starts on the first working day after that, **Friday 23 October 2026**, and runs for five working days until Thursday 29 October. As agreed: we ride between **11:00 and 13:00**, to addresses within 3 km (your area is within 2 km), on days with **at least 10 orders**. Please send the order list for the round by **10:30**, with orders packed and labelled at the counter. On days with fewer than 10 orders there is no courier run; you then arrange pickup or your own delivery. Kind regards, Jesse - Fietskoerier Demodorp
